farnesene (EBC 7.12)	< 0,5
linalool (EBC 7.12; mg/100g)	19
linalool: α	1,2

Aromatic impressions of the raw hops

Aroma in the beer

The variety Hallertauer Taurus gives beer a harmonious bitterness that is not quite so strong. Its subtle aroma is consistent in terms of smell, while in terms of taste it tends towards pronounced hoppy aroma impressions.
