farnesene (EBC 7.12)	< 0,5
linalool (EBC 7.12; mg/100g)	4
linalool: α	0,5

Aromatic impressions of the raw hops

Aroma in the beer

The variety Perle gives beer a harmonious bitterness that is not too intensive. The aroma is subtle; in terms of smell and taste it tends to be hoppy, but also features fruity and flowery notes.
